“ Sam was one of the finest and most honorable people I have had the pleasure to know. His word was his bond. If you were his friend there was nothing he would not do to help you. He helped me numerous times. I didn't know Sam as well or as long as many people have but to me, he was a dear friend whose calls and emails I will forever cherish. To his family, I know how much you will miss him. Just know in this, you are not alone. God Bless you all.
