“ As all recall, Sandy was the essence of pure love, joy and compassion. I worked with Sandy for a number of years at Coal Miners Music, Loretta Lynn's publishing company. It was a joy coming to work and seeing Sandy's loving face. This was every day! If you had a personal issue, she would step up to the plate to offer her assistance.
Regardless of what you were dealing with, she was there by your side.
To sum it up, I loved Sandy and she loved me. That little part of our lives was a time we shared in a way that each of us would never forget. We were friends. My heart goes out to Brownie, Stacey and Christian.

“ I am so sorry to be missing Sandy's celebration of life! She has and will always hold a dear place in my heart. I have only fond memories of her from growing up and the times we visited her and Brownie's home over the years. Sandy was always so kind and heartwarming. She will be dearly missed ❤️ With love, Katie Criswell

“ Sandy said that we were "Southern Sisters". I am from New York state but Sandy was sure we were related so she made it work out to her liking. We were friends for 42 years. Sandy was a wonderful friend and I sure miss her. I love you Sandy and I always will.

“ My memory of my sister, Sandy goes back as long as I can remember. I will say she was the best big sister you could have. She set the bar high, and I always strived to be like her, from a very young age to adulthood. I loved her from the start, and will love her till we meet again in heaven, and beyond.

Sandy was one of the most precious people I have ever met in my life! She was so giving and so sweet. She never ever spoke of anyone or to anyone in anger that I ever saw. She was a true believer in the Lord Jesus Christ! She welcomed me into her home, with LOVE and laughter, and everyone that ever met her saw what Christ looked like in her actions and deeds. I am positive that the words she heard when she closed her eyes was "well done, my faithful servant" you will be missed my sweet Sandy!
