“ Saret was one of the most loving and mannerable young women that I have met in a very long time. She worked as an intern at Monroe Harding, Inc. and would always pop in my office to speak and see how my day was going. I would always ask her about her Dad, who she loved dearly! She was committed to her education, helping those less fortunate than her, and taking care of her family, especially her dad!

May GOD in His amazing grace and tender mercy strengthen and sustain all of Saret's family. And may their fond memories of her warm their hearts and bring smiles to their faces.

With loving memories of Saret and deep sympathy for her family...

“ I owe Saret so much. I attended MTSU's SW program and graduated with her last December. It should be known that I would not have obtained my degree had it not been for the generosity, compassion and selflessness of this woman. She helped me during a difficult time for me and my family. Whatever problems I had, she was always there to lend an ear and to give comfort and support. She was such a beautiful girl. She was strong, responsible and dilligent in reaching her goals and she loved her family very much. There wasn't a day that went by that I spoke to Saret - at school or on the phone - that she did not relate how much her family meant to her. I can't believe she is gone but I know that she is in peace now and nothing can take away the joy she has given so many. I hope to someday be as strong in character and to show my love for life and the world just as she has. I have learned so very much from her. She will forever be loved and missed.

“ *In the midst of life there is death. But, when it comes suddenly and without apparent reason, it is most difficult to accept. You have are prayers and sincere sympathy in your lost. Just continue to have faith and trust that you sadness is shared by those that knew and loved Saret as you have loved her.*

“ *Saret was like a daughter to my husband and myself. She was our favorite waitress and would always tell us how she wanted to help people when she finished school. We would drive across town just to eat where she worked and spend time with her. We have lost a part of our family. She had a great personality and loved people. Heaven had received an angel.. She will be missed ! Andrea and Ben Tarpley*

“ *I too am a frequent visitor with my mom and brother. I remember seeing Saret many times that my family and I were there. My heart felt condolence goes out to her family and friends. A terrible loss for someone as special as her to be taken away the way she was. Your home now Saret, no one can ever hurt you again. God bless the Vit family and her Bob Evans family.*

“ I'm a frequent diner at Bob Evans where Saret worked, and clearly remember seeing her in there many times. When this horrible story made the news over the weekend, I nearly went into shock when I recognized her picture and remembered where I'd seen her. So sad to have a young life cut short far too soon. My heart goes out to all of you who knew her.
