“ *Gary I am so very sorry to hear of the passing of Serena. She was a Beautiful person always both inside and out. I know your heart is breaking into right now but find some comfort in knowing Lil Gary was there to welcome his Momma home. May God send his Angel's to surround you with Strength and Courage to get through each passing day. Rest assured the day God takes you home you will walk hand in hand again.*

“ *Serena was like a second mom growing up. My mom worked at Rollins market and Serena would come get me while mom was working and me, Rachael and bubba would play at the wrecker service. We had the best hide and go seek games there. When we cheered for the Madison Rams we were cheering for Bubba (Little Gary) and I can still hear Serena’s voice. You could be out in public not even with her and hear her talk and know. That’s Serena. You will never forget that voice. Gary, Rachael, Stacy and Aunt Linda I love you guys.*

“ I remember walking over to Serena's apartment when I was in the 10th grade, and riding to school with her every morning. I was always at her house, with her and Sammy. We had so much fun together. We have always kept in touch. This is sad...my prayers go out to all the family....she will always live in my heart. I love Serena dearly....God bless you all....RIP my dear friend...Serena...
