“ *"God looked around His garden
and He found an empty place.
He then looked down upon the earth
and saw your precious face.
He put His arms around you
and lifted you to rest.
God's garden must be beautiful;
He always takes the best." ~anonymous*

“ Jon Michael our hearts are always with you especially through this time. You were such an amazing son to your mom and I know she is shining down on you from heaven smiling at the amazing person you have become. You are so loved. I hope she sends you many butterflies to remind you how much she loves you and is still with you always. All my love, Heather
