“ May you find comfort from your memories as well as GOD's word the bible. Why do people we love die? This is a question most people would like to have the answer to. Romans 5:12 says "That is why, just as through one man [Adam] sin entered into the world and death through sin, and thus death spread to all men because they had all sinned," How loving of GOD to promise what is found at Rev.21:4 one day soon all sickness and death will be gone forever and we will see our love ones again, to learn more about this view jw.org.
