“ Shirley was an awesome lady that had everything in her life in line. God was first then family then herself and that's what mothers do. They put everybody in front of themselves. Steven, Donnie your mother was a fighter and she fought a hard fight with this terrible word called cancer. My prayers go to you and the family and just remember her soul is in heaven and she is in no more pain. If I can do anything for the family, just call me. I'll see you at the celebration of life.

“ I have known Shirley since we were in the 9th grade at Litton Jr. She was such a great person, lots of fun and could always make me laugh. Her son Donnie and my son Rick were good friends when they were in high school also. The last time I saw Shirley was when Rick passed away. My thoughts and prayers are with Donnie, Steve and all the family. These are hard times for you, but you have such wonderful memories to keep in your heart. Go Rest High on That Mountain Shirley.
