“ *I share my condolences with the family and friends. My prayer is for God to comfort your weary hearts and extend a measure of peace to you all during your time of bereavement. While I did not know your loved one personally, may you be at peace knowing that he is resting for now, but in God's power by Christ command will stand again, (Job 14:14,15 & Acts 24:15).*

“ Our sincere condolences to the entire family. Have read so many shared memories and tributes to Marshall in his role as father, grandfather, great-grandfather, brother-in-law, husband, father-in-law, friend and more. How fortunate he was to be surrounded by the support and love of family and friends as he struggled with this terrible disease. Wishing you peace during this very difficult time.
