“ *To my dear friend. I have thought about you so many times over the years. I really was proud that you was my friend at Edmond Memorial High School and you were the sweetest kindness person to have as friend .*

*Im sorry we never seen each other and didnt stay in touch. You was always thought about. I just couldn't find you. To a wonderful friend and to the good times of flying out of the parking lot of school to go get lunch in your car or mine and just the fun we had . I never forgot you. My we still cross paths someday
Loved you like a sister. My heart is broke. So long for now . Jamie (Mills) Davis*

“ *Although I do not know you personally, I would like to express my condolences to your family. It is painful to loose a loved one in death. A Bible passage that helped me when my mother passed was Isaiah 25:8 “ He will swallow up death forever....” Wishing you peace, comfort and hope.*
