“ I am very saddened to learn of Stanley's passing. He was a good friend for many years. He and I are accountants and we met years ago at the same consulting firm where we worked together. Then later when I was at a life science company he came and became my staff. We have kept in touch over the years. He has been to my home in CA. He was always a very dependable accountant who worked long hours to please his manager. He was such a warm and caring person with a good sense of humor. He had great compassion for others. He loved travel and photography. He was clearly artistic. I will miss him greatly.
