

Steven Lee Noland

October 29, 2002 - April 28, 2021

Steven Lee Noland, age 18 of Nashville, was born October 29, 2002 and passed away April 28, 2021. Steven was a Senior at Hunters Lane High School and was set to graduate with honors this month. He loved his school and all his teachers there. He was headed to Vol State Community College in the fall to major in business. Steven was ambitious, artistic, and full of life; he was an inventor, an investor, and a dreamer. He was a very caring and giving person who never met a stranger. He would have given everything he had to help someone else. Steven loved music, the outdoors, camping, fishing, the beach, the ocean, and he loved to cook. There was never a dull moment at Steven's house because he loved joking around and pranking with his brother and sister which kept the house full of laughter. He is survived by his mother, Lyn Noland; sister, Shelby Noland; brother, Sawyer Noland; nephew, Chancellor Cox; niece, Zoey Sanders; father, Grady Kincer; a host of extended family and too many friends to count. Visitation will be at Phillips-Robinson Funeral Home Sunday, May 2nd from 5pm until the time of service at 6pm, Pastor John McClendon and Pastor Ashley Lyle officiating.

“ *Steven and my daughter were the best of friends for 4 years, and dating for the last 2. I remember in 2019 we lost my father. Christmas time Steven showed up with random gifts he had gotten us all, and brought so much joy and laughter on our first holiday without my dad. I knew at that moment, my daughter had found a wonderful young man, with a loving spirit and I will forever be grateful to him for helping us through what was sure to be a sad holiday. Steven will be missed, and kept in our hearts always.*

“ Papa and Nanna share this memory of Steven. Once while camp[ng at Lake Cumberland with Steven, we, Janet and George, busied our selves putting up camp only to look up and see Steven running through the campsite chasing a mother skunk and four baby skunks. They must have known how gentle and loving Steven was, they never spayed, Steven paired his loving nature with a mischievous bent . Once while coming back from a trip to Kentucky to supply missionaries in eastern Kentucky, I was extremely tired and by the time we got to Cookeville, I was apparently weaving and the Cookeville Police stopped me. After I had explained my situation and the officer had turned to depart, Steven in a rather loud voice said "Papa that's not what you told the policeman last night" Undoubtedly our years with Steven were some of our best. He brought a lot of love into our home and ours hearts. He made us young again. No doubt they will be playing Chitty Bang Bang in heaven this day, it was his favorite, Some days he would watch it 4 or 5 times. Lynn thank you so much for sharing Steven with us. WE know your heart is broken and we will be praying for you.

“ Steven was my student at Hunters Lane. It was a deep joy getting to know him his senior year and his passing leaves a void. He was a pleasure to teach. It was just a few weeks ago I enjoyed hearing his discussions in investing and his Capstone project on currency; he brought a great deal of life and laughter to the classroom, and he is greatly missed. My deepest condolences to his family and his loved ones.

Sincerely,

“ *I am beyond heartbroken for this family. Steven was one of my students and one of my most loved students. As teachers we try not to have favorites, but this little boy captured my heart many years ago. He and I had a lot in common... hyperactivity and a little trouble focusing... we understood each other. He overcame all of that and was about to graduate from high school with honors! He overcame many obstacles in his short life, and I was so proud of him! He had this funny, goofy grin that captured me and all who knew him. He had this loving, fun, funny spirit... and he just made your day better. His mama is one of the strongest women I know, but strength for this is beyond belief that she should never have to go through. Please pray for this family with all of your might.... They have lost a light that used to shine so bright.... he is now shining bright on a hill with Jesus... but those of us left behind will be sad for the rest of our lives. If you worked at Stratton you knew and loved him, if you visited Chuy's he would have been your favorite employee, if you were in his life at all-you were touched.*
