“ Words cannot express the sadness felt upon hearing of Stevie's passing. I worked with Steve at Universal in Binghamton for many years. His smile was the rock that all of us at UIC could always count on. As time went on and the management of the company didn't make us feel welcome just one look into the office and seeing Steve brought us that "family" feeling we all had for so many years. He will never be forgotten. Godspeed my friend. You are one of a kind.
