“ My thoughts and prayers go up for Rose and both the Parsons and Silcox family's.  
Steve and I became friends and we were neighbors,I enjoyed his company.We talked about numerous things like the Titans,politics,decorating.The things we talked about really don't seem to matter now except one,Our talks about CHRIST.I cherish those memories.  
I know thru those talks that this Is not an end, but a beginning for Steve.I know someday I will see Steve again. Healthy,In a new body that Is bathed In the light of his savior. Until we see each other again, I will be selfish and miss him.
