“ Stormey was a extremely selfless person. Her children were her motivation. I didn't know her that well but could feel her spirit in any room we were ever in together. She loved hard and was loyal. You will be missed and never forgotten
Even though your flesh is gone your spirit will live on and through the lives of everyone that knew you. Rest in Peace Queen

Stormy was always a leader she couldn't be second, but she always had love in her heart and fire in her eyes, for everyone that knew Stormy you know what I'm talking about, I was always unk and she knew I always had her back no matter what. To say I'm going to miss her is s joke, I lost a piece of my heart and it can't be filled by no one but her. I'm gonna miss you baby girl your love and your smart mouth lol I pray I see you again you were hell on earth and I know you'll be one of God's angel with wings of gold. You look so much like your mom just as beautiful as she was.. love you girl till unk sees you again.

“ Stormey was Always there through the good and bad. She helped me so much in my recovery. She was that friend that no matter where or time of day if you needed her she was coming. She touched so many lives. She always wore her heart on her sleeve and even then it was just too big to hold. She'll always be admired, missed, and loved so deeply. Til I see you again friend ☐☐
