“ I'll miss you forever. You were the best sister I could've asked for. You had so many accomplishments and you loved so hard. I can't say enough positive things about you. I hope you know how much of an impact you had on people, I'll never meet anyone like you. Thank you for being my first best friend. See you on the flip side kid.

“ Tee you were such a joy. All filled with smiles. I always loved seeing you at Granny and papas house watching you and the boys play. You were always a ray of Sunshine. You are now resting in peace but we are truly going to miss you. Love you!
