“ *Uncle Terry,
We will so very much miss you! I still have your voice on my answering machine! John and I listened to it and can hardly believe you are really gone. All of your family is in our prayers and we have a good many memories of the fun we had in Florida when we visited Dad and had those wonderful gatherings for dinner! It must be a very fun place in heaven now that you are reunited with a good many of our clan up there. Give them all a hug from me and one day too I can join you with our loved ones there. With all of our love,*
