“ Terry was a man who got people's attention, even when he didn't care to. All he had to do was walk into the room and everyone knew he was there. Not only did he teach me a great deal but he was my friend, as he was everyone's friend. I will continue to tell the many stories of experiences he has given me, and remember how lucky I am to have known him. I will always love him and miss him. God bless everyone who knew and loved him. You are many.

“ My thoughts and prayers are with all of you during this difficult time. Terry had a kind heart; he always tried to help others in need. I know he loved his family very much and his 3 "girls" were more important to him than they will ever know. Much love to you all -
