“ My condolences to Janet and the entire Hawkins family. The memories I had when we were just children, was that Terry always found something to smile and laugh about. Terry had a way of making people feel good and know there were better things ahead.

“ My heartfelt condolences to the entire Hawkins family. I have many fond memories of Terry, the many escapades of our sometimes foolish youth, and loved his great laugh. His exuberance towards life was always a reminder that things can be good if you try. I shall truly miss my friend.
