“ *I know I was little and that recently I wasn't around or anything but would tell you that if I had another chance I would most definitely stay and help and laugh and love every chance I get with you. You were one of the nicest I met and I could talk all day about you. It's heartbreaking that your gone and we won't get to have another day with but we all know that you aren't hurting and you love us and that you'll watch over us and i will make sure I visit you!*

“ Theresa ,  
*I can't imagine a stronger more wiser,spiritually connected.  
My memories run deep and pure when I think of how big her family  
really is from immediate family to just friends ,we all think of  
Theresa as " Mom!  
Never was there a time you weren't welcomed to her & Williams  
home.Thrresa may be cooking for 4 but she as the in the book of  
Ruth " she gave all she had. God said unto her they're are many  
mansions in my heaven and he has one for Theresa.  
We had a taco Saturday set and I became ill and it never came to  
be.I will forever treasure Theresa , Mom a Faye,Granny Lynn,  
Janelle,Timmy ,Bubba, Cindy,Mr Gifford and his produce.  
I just love this family and all of Theresa's branches of her Family  
Tree.  
Remember if you van in your time of sorrow , Theresa has been a  
inspiration with wisdom,strength to over come and love of family "  
God has truly taken in one of his most present,powerful and  
conviction to Jesus her Lord and savior.  
My she rest in peace and have all the stories of the Bible she read  
each and every night, be visable to enjoy .  
I Love this wonderful Cousin/ Momma to us all.
