

Thomas Wayne Grayson

July 18, 1938 - September 4, 2015

GRAYSON, Thomas (Wayne) Age 77, of Gallatin passed away peacefully Friday, September 4th, 2015.

Wayne was born to Madge and Leslie Grayson at their home in Adairville, Kentucky on July 18th, 1938. He grew up with two wonderful older sisters, Helen (1926-2015) and Mabel (1928-) who adored their younger brother. At around 3 years old, little Wayne developed a passion for fishing and it endured for the rest of his life. Wayne's many loyal friends can attest that many fish have given their lives to pose with Wayne in a photograph or fill his belly. In 1963, he met the love of his life, Helen Ann Bryant, and they were soon married. A son was born, Leslie (Keith) Grayson, in 1964, and he became a proud father. Around 1968, he achieved an important goal in his life and became a Metro Nashville Firefighter. Wayne and Helen's marriage lasted until her passing on December 28, 1981 but the sadness of her leaving was not in vain as Wayne and his son grew closer and closer with each passing year. His skills as a father never waned beyond that day in 1981. When he passed, there were no better fathers on this earth.

Wayne Grayson will be greatly missed and forever loved by his son and lovely wife, Teresa Grayson, his wonderful sister, Mabel Winters, his grandson whom he was so proud of, Jonas Grayson, his lovely granddaughter, Lindsey Helm and her husband, Billy, his great granddaughter, Olivia, and great grandson,

Jackson. His girlfriend, Teresa Jones, spent his last years with him and her presence with him was invaluable. I love you, Dad, and cannot wait to get to heaven so we can finish our last conversation wetting a line on the lake under a shade tree. I bet the bass grow really big up there.

Visitation will be at Phillips-Robinson Funeral Home, 2707 Gallatin Rd. on Friday, Sept. 11 from 4-8pm. The service will be held in our chapel on Saturday, Sept. 12 at 11am. Interment will be at Rose Hill Memorial Gardens in Tullahoma, TN at 1:30pm.

“ Rev.21:3,4 says one day soon all sickness, suffering and death will be gone forever and we will see our love ones again, this is so loving of our heavenly Father to give us such a loving promise for the ones we have loss, the Bible also tells us the ones we have loss is only asleep in the memorial tombs and one day they will hear his voice and come out.[John 5:28,29]. Isn't this a wonderful promise for our love ones we have loss, to be able to see and talk to them again.This is so loving and kind of Him to give us such a promise, to learn more about this promise please view jw.org on line.

“ You'll never fully know how much what you said means to me cause it would honestly be too creepy to tell you. Tell your lovely wife hello, have a glass of wine with her and raise your glass for a brief moment to Dad. Thanks, Scott.

“ Wayne was a terrific guy, a wonderful father and strong role model. Always one to enjoy life, he brought his own sense of humor and viewpoint to everything.

Growing up is a funny time, and as Keith's best high school mate, we sure had our moments! Wayne welcomed me (and the awkward teen years) with an open mind, open arms and an open heart like his own. For that and the friendship that has endured, I am ever grateful.

To all the Grayson family I say how lucky you are to have loving memories of Wayne. Continue sharing them, may you find peace there. Memories shared are memories living.

Wayne's reward for all his goodness must by now be bountiful. The heaven's will be brighter with one more shining star!
