“ My condolences to the friends and family of Tom. Doing tile work is the reason our paths crossed 5 years ago. He had a passion for living life to the fullest and that big smile of his we will all miss. He left us with lots of great memories and we will all miss his positive and mild mannered nature. Prayers to Hammy's family during these trying times.

“ Tom was a good friend. One that I'd never met, but had spoken with on the phone at length (or rather LISTENED TO at length LOL), as well as debating installation methods at John Bridge's tile forums. Tom was extremely knowledgeable about what he did, and a true craftsman, as well as someone with a terrific spirit and a heart as big as all outdoors, and I felt lucky to have known him. My sincerest and most heartfelt condolences to his family.

“ Tom was a great guy and will be dearly missed. I will never forget spending the night with him at coverings in 2009. He was nice enough to share his room for a fellow tile brother. I met him a few times as he passed thru Jacksonville. He had such a HUGE heart of gold. HAMMY RIP.....thanks for all the advice and for calling me while I was in the hospital

“ Our prayers and heartfelt sympathy to Tom's family and thank you for sharing him with those of us in the tile trade. I doubt Tom ever met a stranger. He treated everyone with kindness and respect and was always seeking to better himself and his trade. He will be sorely missed.

“ Our prayers are with your family during these difficult times. I got to know Hammy through the JBF and tile events throughout the years. He always had a smile on his face and full of questions and wisdom. He was a devoted to what he did and was a true professional. He will be missed. My condolences to his family. His hat said it all.

“ I only knew Tom through his work and his dedication to perfection in his trade. He had a wonderful sense of humor, an inquiring mind and an eager willingness to offer help when asked. Thoughts and prayers go his family and friends. In our tile forum community, Tom was well-known to scores, if not hundreds of our members. Tom, or "Hammy" as he liked to be known to us will be missed and his shoes will be hard to fill....Rest Well, my friend.

“ We, too, were shocked and saddened to hear about Tom's passing. Sue had talked with him via FB last year about working on our house. She saw a house that he had redone and it was gorgeous. Our deepest sympathies to Jeanette and Tom's children. He will be missed.

“ I have known you all my life. We have shared ups and downs in our lives but through it all we had remained best of friends. You have always been there for me as you have been there for your children. Our prayers go out to Jeanette, Ashley (and family), and TJ that they can gain strength from our Lord during this time of emptiness. Brother, I miss you and love you.

“ Jeanette and Family: I was so saddened to hear of Tom's passing. I really just could not believe it. I admit I didn't know Tom all that well; however, I knew him enough to realize he was a good Christian man who was loving, kind, hard working, and had a funny sense of humor. Also, Tom and Jeanette made each other happy and had a wonderful life together. I know that all of you are going to miss him so much; however, you can be encouraged that he is with our Lord and Savior Jesus Christ. Tom's made his final journey and is at rest. We are praying for all of you to have strength, peace, and comfort in the days ahead. Our loss is surely Heaven's gain. God's blessings,

“ Dear Jeanette, we have been so saddened and shocked to learn about Tom's death. You and your family are and will continue to be in our prayers. Tom was always a gentleman in any situation I had the privilege to interact with him and certainly his open friendly manner was always encouraging. We will miss him. We know this separation will be very difficult for you. We pray for the Holy Spirit's comfort and support to sustain each of you. In Him, Jack & Gail Dayton
