“ Thank you Tommy for loving me and my children as your very own. I know Shalyn and Brooklyn held a special place in your heart. You and dad behave up there and like Lena said "don't push any buttons"!!! And don't worry, I knew Lena was the one taking the deviled eggs!!! I love you Pops!!!

“ Pops I am going to miss you so much. You never tried to replace my dad but loved me as you own (even though I always blamed you for getting in the deviled eggs) I am thankful for all your advice, love and memories but mostly thankful for the promise we have from God that we will see each other again. Behave, don't push any buttons and enjoy!
