“ Oh how much I miss you now. We had some great times when you were young. You and your other 3 cousins all born within a year. I Loved you getting to stay with my kids and with me and JT sometimes when my kids visited their Dad.

You always were happy and very active.

I'm so glad we got to talk for several weeks and you did get moving and started walking a bit and we're so excited.

I knew you could do it.

Nothing ever stops us when we have the determination in our minds and God beside us all the way.

I'll continue talking to you and I love that you hear me and give me the biggest chills like a Great Big 🤗.

Be waiting with open arms when we meet again.

Stay with all our Loved ones and be Happy and healthy FOREVER!

I LOVE YOU and I'll forever remember you being happy and ready to start a New beginning. God has you in his Loving arms.

Aunt Jennie will keep you close forever 🕊️🙏
