“ I didn't know Tim that long or that well but I do know this: he loved his family. His face would light up when he had pictures or videos to share of his children and grandchildren. He was a good human being and I will miss him.

“ To Tim and his family,

Our thoughts and prayers are with you and all of your family as what Tim brought to all of us here at Layton construction was priceless as he made the best of times no matter what the situation was and he will never be forgotten by all the people he touched within our team and jobs he was involved in. He will be sadly missed by all of us but never forgotten and his desire and dedication was second to none and was his family, and through these times we are all standing with you.
