“ *Tina, I can hardly bear to write this message for the tears, it's my first Mothers Day without you also the first for Kayla. Tina if you or an angel could come to Kayla in her dreams and let her know you are ok I think she will get through this weekend ok. I miss you so bad words cannot explain the pain I feel, if only we had you back again. Tina we LOVE you so much I wish we would have had more time together. Love Forever Momma*

“ Tina, on 10/09/72 you would have been 38, it will be a heart wrenching day for us. We love you and miss you so bad, it hurts everyday it's like a part of my life is missing, like a hole that can't be filled anymore. We will miss you on Thanksgiving, Christmas, everytime we all gather as a family and you are not there! Tina I ask for your forgiveness if you fill like I failed you in anyway. I love you so much, but I know that I will see you another day when we see Jesus.

I love you Momma!!!!
