“ I worked with Tracy in Virginia. What a beautiful soul. Her kindness and love was amazing to be around. I think of her often. Today on FB someone asked about our favor concert and I thought of the Alabama concert we went to together. Of course that got me thinking of Tracy. I started FB searching and found her profile. I am completely heartbroken that my search lead me here. I hope, my friend, that it's ok that I remember the beautiful girl with cowboy hat and MR2. The friend with the heart of gold, that loved to dance and saved me from creeps at office parties. I am so sorry that it took this long to reach out. Rest in peace. I love you.

“ Tracy, I can't begin to say how much I will miss your smiling face!! I was so looking forward to taking you and Brandy on the boat this year! You were always a blessing to me and knew when I was hurting....I wish you had reached out to me when you were!! I know how much you missed Kelly Stone.....and the talks we had about that. You listened and made a plea for her on the news.....it was a great thing you did for your friend.....I'm so sorry that you lost so many this last year and found it so hard to deal with.....I loved you Tracey! I always will.

** Brandy....Ron and I would still like to take you out on the boat this year! Our hearts and prayers are with you.
