“ *Vera was always a bright spot at St Joseph. During my time there I enjoyed our adventures away from work. From our Beanie Baby hunts to garage sales to memorable trips she was a great person. She loved her entire family and I know she will be greatly missed. To echo what Donna said Vera was genuine. Rose Nicholson*

“ I met Vera many years ago when my children were at St. Joe's. Vera was at school every day & did everything there was to do as a volunteer. I also bowled with her. She was one of the most genuine people I have ever known & always giving of herself to others. I was blessed to call her friend.

Love & prayers to all,

Strasser (what she always called me)

I miss you so much my Dear Sister I miss seeing your smile and hearing your voice and drinking coffee with you but most of all I just miss you, I am the only one left in our birth family and I don't see your baby girl who you named after me I think she rather forget I even exist ,and that's up to her I still love her anyway. I'm sure momma ,and Margaret and daddy and Ricky are glad to be with you but I am serving my Lord Jesus Christ and doing my best and one day we will all be together again and very happy to see each other in the kingdom of God I love you all very much
