“ Didn't Know Mr Keeler as I did Walt and Leonard, but what I did know was a fine individual. We were all at a function at the catfish house in Springfield Tn and when dinner was finished I went to pay for my meal. Waitress said it was taken care of already?. I asked by who and she pointed to that man over there, ( Mr Keeler). I went over and thanked him and he said it was a Blessing to have me sit at his table with his family and also pay for my meal. Left an everlasting impression. Not many people can say that. He is Healed and rejoicing now, see you at a later date Sir!
