“ *Well it's almost been three years now since we lost you grandma I still miss you so much. You should be happy to know I quit smoking and I have joined the lung cancer volunteer group here and Cameron started preschool this month. The clock you left me I feel holds a part of your spirit I have put several new batteries in it and it still stops at 8:15 on the dot which is the exact time you passed I love you so much and miss you everyday*

“ *Wanda Joe Fuller was my grandmother. I love her very much she was more than just my grandmother she was my best friend if I ever needed someone to talk to you know she was always there for me. I miss her so much right now it still pains me to see her picture and know that I can't just call her when I want to. I know that she is in a better place now and I hope that her soul will rest in peace forever. I LOVE YOU GRANDMA AND I MISS YOU IM REALLY GLAD CAMERON GOT TO MEET YOU.*
