“ Wanda, I am going to miss you so much. We lived across from each other for over 30 years. I would see you and talk to you each day. We always watched over each others house. What am I going to do now? You were my closest neighbor. No more suffering. You are an angel now. I love you. Rest in Peace.

“ Wanda Sue and I have been friends since 4th grade. I spent so many years at her Mom and Dad’s house. We went to same Walkers Chapel Church. Sue later moved to Nashville after her Husband Nelson Walker lost his life in war. Sue and I never lost touch, Sue and I talked on a regular basis and shared our childhood memories. Sue was a loving and caring person. I will always remember her and I love for each other. Such a dear friend gone too soon. 🙏❤️😭💕
