“ *Cindy and family, I can only echo the comments of so many others. I didn't know your father, but the love and respect you had for him speaks volumes. He left behind a beautiful legacy of love for his family, and they for him. How blessed you all were to have him - I know you will always miss him.*

“ Although we never personally met, Mr. Hurt, we came to know him through his daughter, Cindy, via her sharing chats. The depth of her love, respect and admiration never faltered... it just became deeper and stronger. From the heartwarming stories of Cindy, it is unmistakable her Daddy, will leave a large void in his loving families lives and the lives of the many who were blessed to know him. Not many men can leave behind an admirable legacy as Mr. Hurt... not many can walk in his footsteps. Our condolences go out to Mrs. Hurt and her family. Cindy we dearly love you. Our prayers are with you and your family. ((Hugs))
