“ This news was hard to process when I heard it and several days later it still is. Wendell was a great friend who never ceased to make me laugh. Sometimes to the point I was sick to my stomach. He was the best story teller I've ever known. I have many great memories of working with him for years and riding motorcycles on the weekend. He will be horribly missed. Prayers for you Peggy and the rest of his family.

“ Wendell you will be missed beyond words. We were all so blessed to be so close and loving the way Mama and Daddy taught us. The respect and love they gave lasted our lives and shined so so bright in you, the oldest. Thanks for leading the way for the rest of us and for kind of being a third parent to the family. You are the best and my heart will always miss you till I see you again!! Rest in peace my precious brother!! Thanks for everything you were to us all...You're greatly loved!! Hug Mama and Daddy and everyone for me....see you soon!!! Cindy
