“ *Uncle Paul was always so kind and giving. I remember when he would bring the family to visit us during the holidays and he always made sure us kids had fun. He would pack all of us kids in the car and take us to races or museums etc. When my Mama was passing in 2007 Uncle Paul set and talked to me and told me some warm and fuzzy memorieshe had of her and how he loved her. I hope he can hear us saying how much we love him too. REST IN PEACE
