“ *I remember William from East High but never saw him after he graduated. What a great guy and gentleman! Sending prayers to the family and my deepest sympathy.*

“ *When we moved into our house our daughter was less than a year old. We used to love going outside and seeing the big truck every Friday. Mr. William was always there smiling and waving. As the months passed, our daughter would ask to see Mr. William and not care so much about the truck. He was such an amazing man who bonded with our family in such a short amount of actual time. Mr. William will be greatly missed. We loved him dearly.
