“ *I am so sorry Trish to hear the news. I kept texting him about coming to join him on Fridays. I've just been very sick and did not know that he had passed. That's why I have not been receiving any response to my text. God bless I know he's in a better place I'm right behind him. 🙏🙏🙏❤️❤️❤️*

“ *I'm so sorry to hear of Bill's passing. Bill was a very unique person. He represented me in my divorce and took care of me and my baby like we were his own. I was Bill's housekeeper for years and then his and Trish's housekeeper. His ability to tell a story is unparalleled by anyone. I haven't talked to Bill for about a year. I truly love this man. He will be so missed. He was definitely one of a kind. My condolences to all who love him.*

“ My deepest sympathy to Edward Porter. Just last week Edward and I were talking and he was singing the praises of his grandfather. In retrospect it is almost as if his proud grandson knew the departure of his grandfather was nearing.

*“ I had my first case practicing law against Bill in 1989. It was a post divorce case that would occupy us both for approximately the next 2 years. Bill was always the consummate professional. During the pendency of the case and long afterward, Bill was a pleasure to be around. He never let business get in the way of personal relationships.*

*My deepest condolences to the family, and may God grant you His Peace.*
