“ *Billie was my roommate at NHC for about six months. We became good friends.*

She looked after me on several occasions, Her family looked after her. They became my friends also.

She was a joy to have as we spent together in the nursing home, I will always remember her. Her smiling face was a source of encouragement to me when i needed it the most.

Her 90th birthday party was awesome. Thank you for inviting me.

May God bless you as you mourn the loss of a beautiful person.

Love, Sandra Nighbert

“ *I have so many wonderful memories of Billie, she was like a second grandmother to me in so many ways. My best memories of her are the days spent at her home on the lake, playing around outside and in the barn. She had the most loving and caring heart and will be deeply missed. May God Grant Her Many, Many Years. Love Cassey (Rieger) Ward*

“ *Billie was the most wonderful friend, neighbor and I Loved like a mom. She was always there with a smile and advice when asked. Paul and I thought so much of her we bought a house in Ft Myers right next to hers. She taught me about southern cooking and in turn she ate my northern food. My grandsons learned to ride bikes in her flat drive. She was there to love them and feed them treats. When Paul died 13 yrs ago she was there to cry with me... love you Billie always will. Rest in peace are you again in heaven.*
