“ I am so very sorry for your loss. Please find comfort in God's sure promise of a resurrection as set forth in the Bible. (Acts 24:15; John 5:28,29) Those who are raised to life will have the prospect of never again being subject to misery, sickness, or death. (Revelation 21:4) I hope that reflecting on these thoughts will give you some relief during this difficult time.

“ To the Page Family

So sorry to hear about the passing of Willie J Page. Our thoughts and prayers are with the family and friends during this time of great sadness. Although death for the moment continues to take family members and friends from us, this will soon be brought to its end. God has revealed to us that He would soon rid the earth of all sicknesses and death.(Revelation 21:3-4) Yes try to envision living during a time when no person will ever get sic, grow old and die. Why even the aging process will be reversed so that we become young again.(Job 33:25) We were created to live forever, not to die. Indeed these are truly comforting words to hear. God's comfort for all grieving hearts continues in even a greater way. All those tears that we have shed over the lost of a love one or friends He remembers. He has not forgotten not one tear. It is if He has collected those tears and preserved them in a bottle. For what purpose? That He would soon restore our love ones back to life. (Psalms 56:8) I know that Willie had knowledge of the scriptures. I wander How many times had He read this text. The text states that God would soon call to those in the grave, and that our love ones would hear His voice and stand up in life again.(John 5:28-29) This text serves as a personal guarantee from God that our departed love ones will stand up in life again. That they would be reunited back with those who love them. Yes what a loving and compassion God He is. He truly reflects what was said about Him at 2 Corinthians 1:3-4, where He is revealed as the God of tender mercy and comfort. This loving God wants all to have strong faith in these promises, so He taken the time to preserve nine accounts that speaks about the resurrection blessing. Here is just one of the nine recorded at John 11:32-44. I would now like to encourage all to see how the verses apply to Willie, and billions of others who will have their lives restored back to them. In closing I say please keep this promise of God in your hearts at all time. Remember that God has given us His personal promise regarding the restoring of life. Whenever God makes a promise, it becomes reality. For it is impossible for God to lie.(Titus 1:2)

“ What words can be expressed about coach Joe??? He was amazing with the young ladies of the Nashville Girls Softball League. He treated those girls with respect and love! They loved him back! He was a great friend, one that would truly give you the shirt off his back if he thought you needed it. He was genuine, sincere, loving, kind and most of all he was mentor for every youth that he came in contact with! He will forever be missed and I hate that I didn't keep in contact after the park closed. I was hoping to see him at the fields this season when Lizzie joined our team, picking on us and giving us tips to the game! RIP COACH JOE! I know momma meet you up there and y'all have a lot to catch up on!
