“ *I am deeply sorry for your loss. I lost my Dad in 2010 and I know what you are going through. My Dad was a retired Metro officer and your Dad officiated his service. Your Dad went above and beyond to help us through our darkest hour. We will never forget how much he did for us and we are eternally grateful to him. He was an amazing person and will truly be missed.*

“ To all the Robinson Family: Thank you for sharing Scott with us. It is rare to find a person who is so comfortable in his own skin, he remains the same person, no matter who he is with. Police Sergeant Scott was the same as "Hug you in the foyer at church" Scott. He gave awesome advice, longed to make a difference, and called everyone a friend. May God hold you all close from now on. It all points to Heaven!

“ My prayers to Scott's Family, friends and Fellow Metro Police Personnel, and other Law Enforcement Branches as we have lost a wonderful man. Heaven has yet another Angel and he will have many stories to share with all that passed through the Pearly Gates. Dancing Bear, you were very blessed to dance at your beautiful Daughter's Wedding. April, three days before your wedding I had the honor to talk to your Dad for a long time and will always remember our conversation. I retired one year prior to your Dad. April, find peace in knowing how happy he was for you and your upcoming wedding and mentioned the dance with you would be a blessing.

“ I am so sorry for your loss. Officer Scott was a good, kind man. I remember when I met him. He wanted to be in radio, so I let him do a bit on my show on Way FM about stupid criminals. When I left Way FM, I recommended that Doug and Carla take him on.... They did, the rest is history..and a lot of fun! Scott and I spoke frequently, and always about his kids and how much he loved them. In later years we were not in touch as much as we wished, but in May, while he was recovering his health, he was worried about me and my family after we were in an accident. He was still worried about me and my family while he was not well himself... That is the kind of guy Scott was. He will be missed. Loved you brother man! See you again in glory!

“ Scott,
Your compassion, your endless smile and good humor in the face of chaos, pain and destruction not only brought comfort to the citizens you served, but to the officers privileged enough to serve along side you. “ April and John , you had a wonderful father whose love for his children knew no bounds. He was so proud of you both and I know the memories you made together will be cherished even more now. Five weeks ago today when I saw him at Ray's funeral he was so excited about the wedding and little did I know that would be our last conversation.
God bless you both and know that he will always be with you.

“ April and Nathan, my prayers have been with you two since I heard the news. The earth lost a warrior this week, but Heaven gained an ambassador. He was the first stranger to greet me at the rehearsal and the most excited person in church. I can picture him on the welcoming committee in Heaven. What a jovial and fun loving man!!! April, you are his legacy, I know you will continue to make him proud.
